

So Fresh And So Green

Release Date: 18th October 2011

Living Naturally Soapnuts Get Platinum Award From Janey Lee Grace

This week Janey Lee Grace announces the winners of the first ever JANEY LOVES PLATINUM AWARDS. After months, experts, testers, and consumers have scrutinised hundreds of products to arrive at a definitive list of the Best of the Best.

Amongst those winners were Living Naturally Soapnuts! Living Naturally Soapnuts were awarded BEST LAUNDRY PRODUCT 2011.

The panel said: "We love soapnuts! They save us a small fortune and help retain the colours in clothing."

Living Naturally Soapnuts are phosphate free and also free of other harmful toxins that are in most detergents, cleaners and body-care products. Soapnuts are free of sodium lauryl/laureth sulphates, parabens, petroleum, phthalates, artificial fragrances, colours, free of nut oils, gluten, soy and dairy. They are great for anyone who has allergies or suffers from skin problems like eczema or psoriasis. They are 100% organic, hypoallergenic, they are sustainable and biodegradable, 100% vegan, they protect colours are a natural softener and can be used at any temperature for laundry from 30-90 degrees Celsius. They are also the cheapest cleaner on the market!

LIVING NATURALLY SOAPNUTS are available nationwide in health food stores and online from www.soapnuts.co.uk
